

PROACTIVE
HEALTH GROUP
PROFESSIONAL HEALTH CARE FOR THE ACTIVE INDIVIDUAL

ProActive Health Group and CUSA Partnership

ProActive Health Group is a multidisciplinary centre located on the beltline of downtown Calgary. With a focus on optimizing function our team employs an integrated clinical approach to provide immediate and long lasting improvements in the health of the patients we serve. Working side by side with each other our team delivers an unparalleled level of health care excellence keeping our clients active and enjoying the activities they love to do.

The Partnership Process:

1. Call the clinic 403 225 3842
2. Tell the front desk you are with an association
3. Make an appointment with one of our registered sport practitioners
4. Get an appointment within 48hrs to get assessed for free and look into a treatment plan

Partnership Benefits:

- Ongoing educational content that is sport specific to CUSA
- Triage center to diagnose and provide recommendations of when to return back to sport
- We are happy to communicate this information to your current health care providers
- Complimentary initial assessment
- Will see any athlete within 48 hours
- Referral to Advanced imaging if needed

We have worked with:

- 250 Professional, Olympic and Paralympic athletes
- 70 Olympic and Paralympic Medalists
- 215 National and International sporting events
- Sport specific practices
- Practitioners have provided healthcare at 3 Olympic Games
- Expertise and experience with varsity and amateur athletes

Volunteer healthcare provider for:

- Hockey Marathon for Kids – The world's longest hockey game
- Run for Water
- L'arche Run
- Calgary Marathon
